Please share any insights you have into your child's learning style.

Are there any conditions in your child's family/home life that you feel we should be aware of?

APPLICATION 2020-2021

Does your child have any medical, emotional, physical or learning challenges? ☐ Yes ☐ No
If yes, please tell us more and attach any additional information that would help us understand your child's needs.

Has your child had any therapeutic treatments or evaluations? If so, please describe.

Does Buddhist study/practice figure in your child's or family's daily life? If so, in what ways?

Please describe your child's relationship to electronic media (computers, tablets, screens of any type).

At MWS, parental involvement is not only appreciated, it is critical to the life of the school and our ability to serve our students. In what ways do you see yourself able to be involved?

How did you hear about The Middle Way School?

If you are applying for nursery school, please indicate what the ideal schedule would be for your child. We are typically in school from 8:40-3:15 daily but may be able to accommodate half day or partial week schedules. It will depend on enrollment and need. So please be as specific as possible.

There is nothing like a child's smile; we appreciate it if you attach a photo of your child but it is not required.
